How we work

1. Buyer route: ready stock, custom manufacturing, or private label

2. Files & references: tech pack, images, sizing, target market

3. Sampling: usually 7-14 days depending on clarity and complexity

4. Quote & MOQ: confirm quantity, timing, packaging and Incoterm

5. Bulk production & QC: inline control, final inspection, packing review

6. Dispatch & repeat route: shipment support for first and repeat orders

Why buyers use this deck

- Factory-backed identity and clear legal entity explanation
- Buyer-facing MOQ, sample timing and route guidance
- Ready stock + custom manufacturing in one clear structure
- Useful before RFQ, video call or internal sourcing review
- WhatsApp, factory video tour and detailed RFQ as next steps
